Dr. Perry Notice of Departure

Dear Patients:

For the past 20 years I have had the privilege of working with Ear Medical Group and caring for the wonderful people of San Antonio and surrounding area. It is with mixed emotions that I am announcing that I will be leaving Ear Medical Group to pursue a teaching position in the Rio Grande Valley **effective April 16, 2021**. This was not an easy decision; however I feel confident that your continuing healthcare needs will be placed in the very confident and caring hands of my colleagues at Ear Medical Group.

Thank you for entrusting me with your medical care. I have sincerely enjoyed serving you. If there is anything more you need prior to my departure, I encourage you to call the office at (210) 614-6070, select option 3. Additionally, Routine/Maintenance Medications should be directed to your Primary Care Provider.

After April 16th, I can be reached at UT-Health Rio Grande Valley:

Edinburg Clinic: (956) 296-3021 or Harlingen Clinic: (956) 296-2701

Of course, you may seek medical care from another doctor if you like. If you choose to do so your medical records are confidential, and a copy can be transferred to another doctor or released to you or another person you designate only through your permission. If you choose to see a different physician, please sign the enclosed authorization form and return it to my office as soon as possible so we may transfer your records to your new doctor. Until then, your records will remain on file at Ear Medical Group.

I have greatly valued our relationship and thank you for your loyalty and friendship over the years. Best wishes for your future health.

Sincerely,

Brian P. Perry, MD
